Mission Priority One

God's desire to draw all people to Himself is our mission. When we lovingly, intentionally live out that mission, we are obedient to Christ.

Sometimes we need ideas on how to live a mission-centered life. We need clear, realistic direction to help carry out God's mission. That's the reason for Mission Priority One (MPO).

NMI has four objectives in which every local church can participate:

Praying--Interceding for leaders and churches and for the Holy Spirit to draw all people to Christ.

Discipling--Involving and encouraging the next generation to make Christlike disciples for God's mission in the nations. (NOTE: Churches who indicated in the Welcome section that they have NO children or youth regularly present at their church services are exempt from this category for MPO)

Giving--Devoting ourselves and our resources, especially the World Evangelism Fund, to extend Christ's kingdom.

Educating--Informing people of the World's needs and enabling our church to meet those needs in Christ.

We offer mission activities based on these objectives to ensure a church's involvement in God's global mission.

By making mission a priority, a congregation demonstrates God's passion for all people. Churches involved in mission attract people who want to be part of something bigger than themselves
