About

Discussion

- 3.) Choose ADD to a Page ...
- 4.) If you are an administrator/editor of more than ONE page, you will see a drop down menu. Pages will be arranged in the drop down menu alphabetical.
- 5.) If the page you want to save the event to is not alphabetically first, choose the drop down arrow and highlight the page that you do want to add the event to.
- 6.) Once the page you want to add the event to is highlighted, Choose add.
- 7.) Double check you event area on your page and you should now see this event listed among your created events as well.

Add a FB event to your own Church Facebook page using a computer.

1.) Browse to the specific event you want.

2.) Underneath the title and to the right of the share button, choose the button (...) to bring up the pop up window shown.
